## ORGANISATIONAL SKILLS

---

### Organizational skills

I was a member of the Board of Directors of S.Onofrio Coop.Soc.

This experience was very useful for me to understand closely the needs of the social enterprise in terms of organization and management of human potential.

This more recent experience is accompanied by the one concluded in 2010 relating to volunteering with populations in difficulty in which I found myself responsible for intervention projects in the villages that involved about 300 volunteers.

In my youth I started three neighborhood newspapers in Rome in the Marconi, Primavalle and Monteverde areas.

## **OTHER SKILLS**

---

### **Other skills**

I have been President of the Salvatore Puledda Humanist Studies Center since 2010.

[www.csusalvatorepuledda.org](http://www.csusalvatorepuledda.org)

Through this association I have contributed to organizing seminars, meetings and conferences on various topics but above all I emphasize the biennial organization of the International Symposium of the World Center for Humanist Studies which has now reached its seventh edition. <https://www.cmehumanistas.org/it>

This experience led me to deepen studies in the fields of anthropology, philosophy, psychology and sociology.
